

# Introducing CAMi Vineyards

---

This outstanding Californian vineyard was first acquired by Tom and Laurie Shelton back in 2000. They quickly became stewards of the Napa Valley prestige wineries. In 2018 Tom Shelton passed away and Laurie has been carrying on his legacy ever since. The vineyard itself is only 2 acres (about the area of a Manhattan city block), with old vines and low yields - the wine is strictly allocated, making it extremely difficult to get hold of.
